

Long Hill Summer Rec Camp News Week 3

Week 3, we celebrated Super Heroes Week at camp. Although it was a short week, we did not have any shortages on super heroes.

On Wednesday, Long Hill Fire Official, Don Huber visited us at camp. He talked to all of our campers about fire safety—things like the importance of working smoke detectors, planning for an emergency exit, fire extinguishers, etc. The campers got to ask lots of questions too and had a lot on their minds. He also left lots of good information behind for our campers plus some plastic fire helmets. (We still have some information up at the front table if anyone wants to stop by and grab some information.) Thank

you to Don for visiting with us!

After Don Huber's presentation, the Long Hill First Aid Squad dropped in with one of their ambulances. The campers got to tour the ambulance and see some of the equipment that is

carried on the ambulance. Several of our campers got to

sit in the driver's seat, try on some splints, lay on the stretcher, and they all got to ask Hunter lots of questions. Special thank you to Bob English who has been with the LHFAS for 30 years and came out to speak with the kids.

Our campers had a lot of fun making their own Super Hero capes this week too.

On Thursday, our campers played the "Mystery Bag Game" where they were given clues in the form of a riddle, and they had to guess what was in each brown paper bag. Given the heat, Thursday also made for a great day to have popsicles.

On Friday, our campers got to visit with our fire companies. We had MFD's ladder truck and SFD's Rescue Truck on campus. Thank you to firefighters Rae, Golden, and Tuma and SFD Chief Gallo for making Friday so special. Our campers got to see and climb into the fire trucks and see all of their special equipment for fighting fires and keeping us safe. Campers also got to see how the "Jaws of Life" work.

After our campers got to meet some of Long Hill's Super Heroes this week and see their trucks and equipment, we were able to ask our campers who their Super Heroes are. See the photo below for some of their answers. It's always heart-warming when we see answers like, "my family", or "Mom and Dad".

All in all, despite the very hot temperatures, the campers had a great week talking about Super Heroes and seeing some pretty neat stuff this week.

We hope to see you back next week; but if not, please enjoy the rest of the summer! We hope you made some good memories with us!

And...thank you for your patience as we worked through some new traffic patterns this week given the construction outside Millington School.
