

Long Hill Summer Rec Camp Week 6

As week six marked the final week of our 2023 Summer Rec Camp season, campers got to celebrate the last few days with obstacles courses, Club Rec, and more!

Monday: Obstacle Course

During each period, groups got to test their strength, speed, and endurance as they raced over rock walls, crawled under nets, and zipped through a variety of other challenges. Our groups got creative by creating relay races for themselves and their counselors. They all definitely got a kick seeing their counselors battle it out. And best thing we saw throughout the day was, teamwork! Our campers exemplified this, as everyone made sure to cheer each other on, encourage their peers, and have fun through it all.

Wednesday: Club Rec

In lead up to our event, campers throughout the week got to create their own ID Cards. This was a hit, as each child's creativity really came out.

Once the party started, campers and counselors got to enjoy party music, dancing with each other, and play the ultimate game of freeze dance. To wrap up the day, campers got to enjoy a slice of pizza from Natales. Overall, it was a great day full of silly dance moves and lots of smiles.

Thursday: Talewise Science Show, "Mother Earth"

During our second to last day of camp, kids got to experience an hour of science fun, and the mysteries our planet has to offer. This was a perfect indoor activity, as kids got to cool off, while the day was getting hotter and hotter outside.

Lastly, on our final day of the camp season, we celebrated by playing our top activities such as world cup, wiffle ball, and the infamous DODGEBALL! With the variety of games and activities, we made sure to end the season with a bang, making sure that everyone left with a smile on their face.

As we officially close out the summer camp season, we want to thank all our families of Long Hill Township for a wonderful six weeks. Our staff truly enjoyed getting to know each camper by providing a fun and safe place to be. We wish everyone a great rest of the summer and look forward to making more memories next year!!
